Prof. TG Sitharam Chairman AICTE New Delhi has taken a lecture and addressed to students and faculty members of GL Bajaj ITM Greater Noida.

Chairman congratulated the Institution for moving a step forward in the journey of innovation by setting up an AICTE Idea Lab. He said, the IDEA Lab represents a milestone in a journey towards fostering creativity, innovation, and practical learning in the field of technical education.

He spoke about establishing 150 more Idea labs nationwide and instructed that the lab should be open for access 24/7 for continuous learning opportunities. He inspired the students of GL Bajaj to use the IDEA LAB for innovation and skill development and stressed that future success will be driven by skills rather than just degrees.

The recent Expert Lecture on Idea & Innovation was a captivating session that highlighted the critical role of creativity in driving progress. The speaker, a renowned Professor and academician emphasized the importance of fostering a culture of innovation within institute. Key topics included strategies for generating and nurturing ideas, overcoming obstacles to innovation, and the impact of emerging technologies on future advancements. Faculty members and students were inspired by real-world examples shared by Prof. Sitharam (Chairman-AICTE) and also requested students to use Idea Lab effectively. The lecture underscored the necessity of continuous learning and adaptability in today's fast-paced, ever-evolving landscape. At the end of the program, Prof. Priyanka Datta, coordinator-CILD, invited to Dr. Jay Singh for vote of thanks. On behalf of GL Bajaj family and organizing committee members of CILD, Prof. Singh conveyed his sincere thanks to all participants and chief Guest Prof. T.G. Sitharam, also to one and all who have contributed directly and indirectly to make the program successful.
