

Date: 30<sup>th</sup> September 2024

## **A Report of 5 Days Youth Talent Exhibition (25-29, Sept. 2024)**

**Event Date:** 25<sup>th</sup> to 29<sup>th</sup> September 2024

**Event Time:** 11AM to 07PM

**Event Venue:** India Expo Centre and Mart, Greater Noida

**No. of Participants:** 205

**No. of Team Participated:** 62

Centre for Innovation in Learning and Development, Dept. of Electrical and Electronics Engineering and IEEE Student Branch G.L. Bajaj ITM Gr. Noida has organized 5 Days outreach activity to interact with youth, society & technological world in an international forum, i.e., U.P. International Trade Show, India Expo Centre and Mart, Greater Noida (25-29, Sept. 2024). A huge no. of IEEE volunteers have participated & learnt a lot from this activity. The 5 Days activity was scheduled on the different theme as below

**Day-1 Theme:** Agriculture & Rural Development,

**Day-2 Theme:** Cyber Security & Women Safety,

**Day-3 Theme:** Environment & Sustainability,

**Day-4 Theme:** Health-Related Social Issues

**Day-5 Theme:** Grand Finale and Award Ceremony

### **Objective of the Event:**

#### **Day 1: Agriculture & Rural Development**

To highlight and promote innovative solutions and creative projects that address the challenges and opportunities in agriculture and rural development. The goal is to inspire young talent to engage in sustainable farming practices, enhance rural livelihoods, and contribute to food security through technological advancements and community-driven initiatives.

#### **Day 2: Cyber Security & Women Safety**

To raise awareness and empower youth to develop strategies and tools that enhance cyber security and ensure women's safety both online and offline. This day aims to foster a culture of vigilance, educate about digital safety practices, and encourage the creation of supportive technologies that protect individuals from cyber threats and violence.

#### **Day 3: Environment & Sustainability**

To inspire young individuals to take active roles in environmental conservation and sustainable living. The focus is on showcasing projects and ideas that address climate change, pollution reduction, renewable energy, and sustainable resource management, thereby fostering a commitment to preserving the planet for future generations.

### Day 4: Health-Related Social Issues

To bring attention to critical health-related social issues and encourage innovative approaches to address them. This day aims to promote awareness about mental health, public health challenges, access to healthcare, and the importance of healthy lifestyles. The exhibition will serve as a platform for youth to present solutions that improve health outcomes and social well-being in their communities.

### Day 5: Grand Finale and Award Ceremony

To celebrate the achievements of the participants and recognize outstanding contributions across all themes. The grand finale will feature a summary of the week's activities, presentations of top projects, and an award ceremony to honor the most impactful and innovative solutions. This day aims to inspire continued engagement and collaboration among youth, stakeholders, and communities in addressing these critical themes.

### Some glimpse of Events:

The 5-day Youth Talent Exhibition concluded with resounding success, showcasing the remarkable ingenuity and dedication of young individuals across four crucial themes: Agriculture & Rural Development, Cyber Security & Women Safety, Environment & Sustainability, and Health-Related Social Issues.

**Day 1: Agriculture & Rural Development** Participants presented innovative projects aimed at revolutionizing agricultural practices and boosting rural economies. The exhibition highlighted sustainable farming techniques, smart agricultural technologies, and community-driven initiatives that promise to enhance food security and improve rural livelihoods. The outcome was a renewed commitment to supporting rural development and fostering a more resilient agricultural sector.

**Day 2: Cyber Security & Women Safety** This day brought to light critical issues surrounding digital safety and women's protection. Youth showcased cutting-edge cybersecurity solutions and applications designed to protect against online threats and enhance personal safety. The event emphasized the importance of digital literacy, cybersecurity awareness, and the development of robust security frameworks to ensure a safer digital environment for all, particularly women.

**Day 3: Environment & Sustainability** Projects centered on combating climate change, reducing pollution, and promoting sustainable living were the focus. Participants demonstrated innovative solutions in renewable energy, waste management, and conservation efforts. The exhibition fostered a deep sense of environmental stewardship among attendees, highlighting the vital role of youth in driving sustainable practices and preserving the planet for future generations.

**Day 4: Health-Related Social Issues** The final thematic day addressed pressing health concerns, with projects targeting mental health, public health challenges, and healthcare accessibility. Youth-led initiatives showcased creative approaches to improving health outcomes and fostering well-being within communities. The event underscored the critical need for holistic health solutions and the active involvement of young minds in tackling health disparities.

**Day 5: Grand Finale and Award Ceremony** The exhibition culminated in a grand finale celebrating the outstanding contributions of participants. Awards were presented to the most impactful projects, inspiring continued innovation and collaboration. The event reinforced the potential of youth as catalysts for positive change, fostering a sense of community and shared purpose.

Youth Talent Exhibition not only highlighted the brilliance and creativity of young individuals but also catalyzed actionable solutions across diverse themes. The outcomes promise sustained engagement and collective efforts towards a more sustainable, secure, and healthy future.

### Prepared by

Dr. Jay Singh

Coordinator – Youth Talent Exhibition

U.P. International Trade Show 2024

Professor - Department of Electrical & Electronics Engineering

GL Bajaj Institute of Technology and Management, Greater Noida

### Annexure:

1. Day Wise Schedule
2. Winners List
3. Judges List
4. Mentor List
5. Event Feedback
