Online Session on “Accelerators/Incubation-Opportunities for Students & Faculties-Early Stage Entrepreneurs”

Electrical and Electronics Engineering in association with Department of Mechanical Engineering, GLBITM organized an Online Session on "Accelerators/Incubation-Opportunities for Students & Faculties-Early Stage Entrepreneurs" dated 22/08/2023 (10:30am onwards). The speaker of the event was Dr. Purnendu Shekhar Pandey, DGM In Charge. GLBCRI, GLBITM. The objective of the event is that the students and faculties will learn about the actual need for and significance of the facilities given by the Incubation Centre, and on the basis of that knowledge, they will approach for new innovations. He concentrated on the things that need to be done for the students' future success as entrepreneurs and contributions to the world during his speech. He also urged faculty members to plan ahead for opportunities that the Institute Innovation Council will give for the benefit of students and their own futures.

The session was very interactive. At the end, Dr. Jay Singh, Associate professor, EEE Department, G L Bajaj Institute of Technology and Management, Greater Noida conclude the event and addressed vote of thanks.

The poster features the GL BAJAJ logo at the top left, with the tagline 'FIND YOUR SPARK' and 'Approved by AICTE & Affiliated to AICTE'.
